VPA wishes to allow any student who desires to participate in any of our programs to be able to participate regardless of financial circumstances. It is important to us that students we assist are serious about the commitment they make in the programs we offer. Please keep in mind that we expect all applicants to pay a portion of the tuition.

To help us in assessing the amount of financial aid we can provide or to accommodate delay of payment, we ask you to answer the following questions. After reviewing the information below, VPA may request more detailed information as reported on your taxes. All forms will remain strictly confidential.

Why does your child want to be involved in the above group?

Why are you applying for financial aid or delay of payment?

Are children in this household qualified for Title I federal assistance for free or reduced lunch? (please answer YES or NO)	Yes No

Of this amount, how much are you able to pay?

If my child qualifies for financial aid or delay of payment, we commit to be in the group for the entire year (choir/strings) or production (theater) and abide by all policies in the participation agreement. Breaking this agreement may nullify the financial aid offered and/or student's participation in the group.
